

Accuse me!

Written by Kara

Wednesday, 08 December 2010 02:42

Tonight after dinner, we were talking about being guilty. Abbie wanted to show everyone how she reacted when being accused of something she didn't do. She told Karlie to accuse her of brushing her teeth. I just looked at Daniel and we both were laughing so hard. I couldn't hardly breathe I was laughing so hard. She and Karlie have yet to figure out why we were laughing. (Even after reading this.)
